**KING OF TEXAS ROOFING COMPANY, LP. Certified by the
Women's Business Enterprise National Council**

GRAND PRAIRIE, TX-- 4/27/2020— [KING OF TEXAS ROOFING COMPANY, LP.](http://kingoftexas.com), a business specializing in QUALITY COMMERCIAL ROOFING SYSTEMS, is proud to announce national certification as a Women's Business Enterprise by the Women's Business Council – Southwest (WBCS), a regional certifying partner of the Women's Business Enterprise National Council (WBENC).

Having over 165 years of collective roofing management experience, King of Texas Roofing empowers the business community by providing innovative roofing solutions that preserve and protect key investments in building assets. We endeavor to positively impact current and future generations through the exhibiting the highest ethical practices, economic responsibility, charitable giving, environmental sensitivity and making significant contributions to the industry.

President/CEO, Kelly B. Van Winkle, states "Traditionally, construction has been synonymous with the creation of tangible structures using power tools, hard hats, PPE, and hard work. However, today it is taking on a starkly different meaning, one promoting positive impact and building communities. For this reason, it is important to support WBENC and promote corporate social responsibility, educational opportunities for upcoming generations of female entrepreneurs, and resources for contractor diversity."

WBENC's national standard of certification implemented by the Women's Business Council – Southwest (WBCS), is a meticulous process including an in-depth review of the business and site inspection. The certification process is designed to confirm the business is at least 51% owned, operated and controlled by a woman or women.

By including women-owned businesses among their suppliers, corporations and government agencies demonstrate their commitment to fostering diversity and the continued development of their supplier diversity programs.
